

**EDITORIAL NOTE**

This note concerns the paper:

**WEAK DISCRETE MAXIMUM PRINCIPLES**

MOHAMMAD MUJALLI AL-MAHAMEED

Arch. Math. (Brno) **41**, 2 (2005), 167–173.

This paper was discovered after the publication to have been plagiarized from the earlier work: K. Ishihara, *Strong and weak discrete maximum principles for matrices associated with elliptic problems*, Linear Algebra Appl. 88/89 (1987), 431–448.

We very much regret this error.
