Request regarding Research Paper Acknowledgements

First, we would like to express our appreciation for your usual cooperation in the planning and operation of Joint Usage/Research Center projects at RIMS.

RIMS has been certified as a Joint Usage/Research Center by the Ministry of Education, Culture, Sports, Science and Technology (MEXT).

On Thursday, October 12, 2017, we convened the Advisory Board. Based on the revision, the board resolved that we would ask researchers to describe in the acknowledgements of their research papers completed with the support of a Joint Usage/Research Center project at RIMS that the paper was a result of the relevant Joint Usage/Research Center project.

In this regard, for your research papers to be completed in the future with the support of our Joint Usage/Research Center projects, we ask that you kindly take time to refer to RIMS in your papers' acknowledgements. We have provided an example below for your consideration.
