

Overview of the Research Activity

*Reference No.	
----------------	--

Research Subject			
Research Category	RIMS Workshop (Type B)		
Proposer's Name			
Purpose of research (Describe in detail.)			
Progress of related researches			
Specific plans			
Major achievements of participants related to the proposed Joint Research Activity			
If the research plan is related to an international conference, please fill out this item.			
Conference Name:		Date: From	to
		Venue:	
Research Fields Circle research fields of the proposed Joint Research Activity. Make one main field double circled. Mathematical logic, Algebra, Number theory, Geometry, Topology, Manifold, Functional analysis, Complex analysis, Probability theory, Ordinary differential equations, Partial differential equations, Numerical analysis, Mathematical physics, Statistics, Foundations of Computer Science, Applied mathematics, Others ()			

Note) Please refer to the guidelines "How to Write the Proposal for the Joint Research Activity".
