

Call for Recommendations of RIMS Project Fellows

1. RIMS Project Fellows

Aiming to foster researchers who conduct research projects and lead the fields of mathematics and the mathematical sciences in the future, the chairperson of a RIMS Research Project may, with the agreements of the organizing committee, recommend a young researcher for a RIMS Project Fellow.

With the approval of the Advisory Board and the Director of RIMS, the RIMS Project Fellow will be employed for a maximum of two years within the period from April 1, 2021 to March 31, 2023. The position will be a Researcher (part-time position) if the desired employment period is more than one year and up to two years, while it will be a Project Specific Researcher (full-time position) if it is within one year. When a vacancy occurs, the chairperson can recommend another researcher for replacement.

2. Required Documents for Recommendation

(1) A Letter of Recommendation from the chairperson of the RIMS Research Project
(Form available)

(2) "Curriculum Vitae", "List of publications", "Research Plan" (1 page),
prepared by the candidate

※If the candidate has not yet obtained his/her PhD at the point of application,
a confirmation letter from his/her supervisor is required in addition.

Please submit the documents as email attachment files to the address below;

kyodo(at)kurims.kyoto-u.ac.jp

Please specify in the subject line that it is for the recommendation of RIMS Project Fellow along with the title of the Research Subject.

3. Application deadline

November 30th, 2020 for academic year 2021 (April 2021-March 2022)

November 30th, 2021 for academic year 2022 (April 2022-March 2023)

4. Terms of employment

(Project Specific Researcher)

Affiliation: Research Institute for Mathematical Sciences (RIMS), Kyoto University

Position: Full-time (Non-tenure track position)

Location: Kitashirakawa Oiwake-cho, Sakyo-ku, Kyoto

Work Descriptions: Research activities in the field of mathematics and the mathematical sciences, and related works for the RIMS Research Projects conducted in the International Joint Usage /Research Center

Qualifications: PhD or a candidate expected to obtain the degree before the contract starts (confirmation required)

Duration of the Appointment: One year (No reappointments)

Working Hours: Discretionary labor system for specific works
(Equivalent for work hours of 38 hours and 45 minutes per week/ Not allowed to hold other jobs)

Holidays: Saturdays, Sundays, National Holidays, Summer Holidays (TBA), New Year Holidays (from December 29 to January 3), Anniversary of the Founding of Kyoto University (June 18th)

Salary: 300,000 yen/month

Social Insurance: Eligible for MEXT* mutual aid association membership, welfare pension, employment insurance and workers' compensation insurance

(Researcher)

Affiliation: Research Institute for Mathematical Sciences (RIMS)

Position: Part-time (Hourly employment)

Location: Kitashirakawa-Oiwakecho, Sakyo-ku, Kyoto

Work Descriptions: Research activities in the field of mathematics and the mathematical sciences, and related works in the RIMS Research Projects conducted for the International Joint Usage/ Research Center

Qualifications: PhD or a candidate expected to obtain the degree before the contract starts (confirmation required)

Duration of the Appointment: One year (a reappointment may be considered when the period of the reappointment is to end before March 31, 2020)

Working Hours: 19 hours per week (In principle, not allowed to hold other jobs)

Holidays: Saturdays, Sundays, National Holidays, Summer Holidays (TBA), New Year Holidays (from December 29 to January 3), Anniversary of the Founding of Kyoto University (June 18th)

Salary: Approximate monthly wage: 250,000yen

Social Insurance: Eligible for workers' compensation insurance
