- (1.) In the second display following the phrase “natural projection maps”, the notation “ $\{(0, 0)\}$ ” should read “ $\{(0, 0)\}$ ”
- (2.) The final portion “over \mathcal{M} .” of the sentence that contains the phrase “*clockwise orientation*” should read “over \mathcal{M} .”.
- (3.) In the first sentence following the display that begins with the phrase “Certain *function-theoretic* aspects”, the word “exponentiation” is misspelled, i.e., appears with the incorrect spelling “exponentation”.
