

7. Overview of the Research Activity (Write on the back of the page.)

Overview of the Research Activity

				*Reference No.	
Research Subject					
Research Category	RIMS Workshop (Type B)				
Proposer's Name		Principal Researchers			
Purpose of research (Describe in detail.)					
Progress of related researches					
Specific plans					
Major achievements of participants related to the proposed research (including representative joint research worksho					
If the research plan is related to an international conference, please fill out this item.					
Conference Name:			Date: From to Venue:		
Research Fields Circle research fields of the proposed Joint Research Activity. Make one main field double circled. Mathematical logic, Algebra, Number theory, Geometry, Topology, Manifold, Functional analysis, Complex analysis, Probability theory, Ordinary differential equations, Partial differential equations, Numerical analysis, Mathematical physics, Statistics, Foundations of Computer Science, Applied mathematics, Others ()					

Note) Please refer to the guidelines "How to Write the Proposal for the Joint Research Activity".
