

Overview of the Research Activity

	*Reference No.	
Research Subject		
Research Category (Mark an applicable category with a circle.)	1. RIMS Workshop (Type A)	2. RIMS Symposium
Proposer's Name		Principal Researchers
Purpose (Describe in detail.)		
Progress of related researches		
Specific plans		
Major achievements of participants related to the proposed research (including representative joint research worksho		
If the research plan is related to an international conference, please fill out this item.		
Conference Name:	Date: From	to
	Venue:	
Research Fields Circle research fields of the proposed Joint Research Activity. Make one main field double circled. Mathematical logic, Algebra, Number theory, Geometry, Topology, Manifold, Functional analysis, Complex analysis, Probability theory, Ordinary differential equations, Partial differential equations, Numerical analysis, Mathematical physics, Statistics, Foundations of Computer Science, Applied mathematics, Others ()		

Note) Please refer to the guidelines "How to Write the Proposal for the Joint Usage Research Activity".
