

To Principal Researchers & Participants
in RIMS Joint Usage/Research Center Projects

Request regarding indication in Research Paper Acknowledgements

In November 2018, RIMS was certified as one of the International Joint Usage/Research Centers (Int'l JU/RCs) by the Ministry of Education, Culture, Sports, Science and Technology (MEXT).

In this regard, we would cordially request to indicate RIMS in acknowledgements in your papers of research carried out with support from RIMS Int'l JU/RC projects. Please refer to the example at the bottom.

The indication of RIMS in your papers will have significant and crucial effects on the evaluation of RIMS Int'l JU/RC by MEXT. Without the indication, the papers could not be counted as achievements of the Int'l JU/RC.

We greatly appreciate your understanding and cooperation in advance.

(Acknowledgements Example)

This work was supported by the Research Institute for Mathematical Sciences, an International Joint Usage/Research Center located in Kyoto University.

Michio Yamada, Director
Research Institute for Mathematical Sciences
